—2015 Cloud Version—**

IMPORTANT – READ CAREFULLY: This User-Subject-to-Qualification Software License Agreement (“**Agreement**”) is a legal contract between the California Department of Education (CDE) (“**Licensor**”), a California state agency, and you (“**Licensee**”), a child development service provider funded through a current child development contract with Licensor’s Early Education and Support Division (EESD) subsidizing the cost of child development services (“**Funding Agreement**”). This document sets forth the terms and conditions for accessing and using Licensor’s DRDPtech software. The term “DRDPtech Software” includes any DRDP manuals or other documentation supplied by Licensor in conjunction with the Software and any corrections, bug fixes, enhancements, updates or other modifications created and supplied by Licensor.

BY SIGNING THIS DOCUMENT, OR BY ACCESSING OR OTHERWISE USING THE DRDPtech SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS OF THIS DRDPtech AGREEMENT, DO NOT ACCESS OR OTHERWISE USE THE SOFTWARE.

1. Certification

a. *CDE contractor.* Licensee hereby represents, warrants, and certifies that Licensee has a current Funding Agreement with Licensor’s Early Education and Support Division. Licensee is a User-Subject-to-Qualification under this agreement, such that Licensee may use DRDPtech only insofar as Licensee meets and continues to meet all of Licensor’s qualifications to use DRDPtech, specified herein.

2. License Terms

a. *Grant of License.* Subject to the terms of this License Agreement, including, without limitation, the data sharing obligations set forth below, Licensor grants to Licensee a non-exclusive, revocable, non-transferable, royalty-free license to access and use the DRDPtech Software residing on a server or servers managed and hosted by Licensor or Licensor’s agent.

b. *Authorized Use.* Licensee may use the DRDPtech Software only as intended by Licensor’s Early Education and Support Division in order to assess children who are enrolled in Licensee’s own child care and development program located in California. Licensee may permit its consultants and other third-party service providers to use the DRDPtech Software for such purposes, provided it is the version of the DRDPtech Software that resides on a server or servers managed and hosted by Licensor or Licensor’s agent. Under no other circumstances shall Licensee permit any third parties to access or use the DRDPtech Software that is accessed or used by Licensee.

c. *Modifications or Reverse Engineering.* Licensee agrees that only the Licensor shall have the right to alter, maintain, enhance or otherwise modify the DRDPtech Software. Licensee shall not attempt to disassemble, decompile or reverse engineer the DRDPtech Software or allow or assist any third party to attempt to do the same.

d. *Reservation of Rights.* Licensor hereby reserves any and all rights not expressly and explicitly granted in this Agreement.

e. *Term of License.* In addition to termination, Licensor may revoke this License upon notice. Until such termination or revocation, this license shall continue in perpetuity. Licensee may, at any time, discontinue its use of the DRDPtech Software; however, it shall continue to be bound by the obligations set forth herein.

3. Support

a. Licensor, at its sole discretion, may provide support services in connection with the DRDPtech Software (“Services”). Services may be provided by email, a help line, updates, or otherwise as Licensor’s staffing, budget and priorities allow. Services will be provided without charge, unless otherwise specified by Licensor in advance.

4. Research Collaboration Data Sharing Obligations

a. For the purpose of understanding overall trends in child development in order to inform state wide policy decisions in early-childhood education, Licensee shall share with Licensor all assessment data that is collected or developed in connection with the DRDPtech Software. Note that before such data is shared with Licensor, all identifying information, such as names and addresses of educational organizations (e.g., agencies and school districts); names of teachers and classrooms; names of students; etc., will be automatically removed (i.e., redacted). Also note that the data shared with Licensor will be aggregated across the entire DRDPtech system, such that the data cannot be used to make comparisons between or among organizations, groups, or individuals; or to evaluate organizations, groups, or individuals. This redacted and aggregated Research Collaboration data will be drawn from the DRDPtech system as of June 1 and again as of December 1 every year. The data will be analyzed by educational researchers from the BEAR Center at the University of California Berkeley and the WestEd Center for Child and Family Studies, who will examine trends in the key domains of child development from infancy through school age.

5. Intellectual Property Rights; Disclosure Restrictions

a. *Title.* Licensee acknowledges that Licensor owns all property rights in and to the DRDPtech Software, including any patent, copyright, trade secret, trademark and other proprietary rights. No title to the DRDPtech Software is transferred hereby and Licensee’s rights hereunder are strictly limited as set forth herein.

b. *Transfers.* Under no circumstances shall Licensee sell, license, publish, display, distribute, or otherwise transfer to a third party the DRDPtech Software or any copy thereof, in whole or in part, without the Licensor’s prior written consent.

c. *Data.* Licensee also acknowledges that the data developed in connection with the DRDPtech software belongs to Licensor. Licensee further acknowledges that certain student data and personal information are restricted from disclosure by state and federal laws. Licensee agrees to maintain the confidentiality of all data and information developed or collected in connection with the use of the DRDP assessment instruments, whether or not entered into the DRDPtech Software, and shall not disclose such data except as expressly required by applicable law.

d. Licensee shall not take any action to assist, facilitate or otherwise encourage access to the DRDPtech Software by any third party. Without limiting the generality of the foregoing, Licensee shall not i) share the access link, passwords or other information used to access, download and use to the DRDPtech Software, or ii) provide access to its system containing the DRDPtech software except as necessary for Licensee to use the DRDPtech Software as intended.

7. Indemnity and Limitation of Liability

a. *Indemnity and Limitation of Liability.* In consideration of the royalty-free license provided hereunder, Licensee hereby indemnifies, defends, releases, discharges and holds harmless Licensor from and against any claim, loss, damage or liability arising in connection with DRDPtech or this License Agreement, including, without limitation:

- (1) the availability, accuracy, damage or loss of data, software, hardware or other real, personal or intellectual property arising from or in connection with the DRDPtech Software;

If Licensee does not accept the changes, Licensee's sole remedy shall be to discontinue Licensee's use of the DRDPtech Software.

b. *Governing Law/Venue/Jurisdiction.* The Agreement shall be governed exclusively by laws of California without regard to its conflict of law provisions. In the event of dispute, the Licensee shall submit to the exclusive jurisdiction and venue of the courts of California.

c. *Termination.* Without prejudice to any other rights, Licensor may revoke and terminate this Agreement for its convenience upon notice to Licensee. In such event, Licensor may

deny access to, and Licensee must discontinue use of, the DRDPtech Software and Services.
