ATL - REG 1: Curiosity and Initiative in Learning

Building Earlier	Explores through simple observations, manipulations, or asking simple questions
Building Middle	Explores by engaging in specific observations, manipulations, or by asking specific questions
Building Later	Carries out simple investigations using familiar strategies, tools, or sources of information
Integrating Earlier	Carries out multi-step investigations, using a variety of strategies, tools, or sources of information
Integrating Middle	Carries out experiments with things or materials, by systematically modifying actions and reacting to the results
Integrating Later	Finds out about things, people, or events by comparing multiple sources of information, including experiments, books and pictures, and asking questions

ATL - REG 2: Self-Control of Feelings and Behavior

Building Earlier	Demonstrates capacity to regulate emotional or behavioral reactions in some moderately stressful situations, occasionally needing adult support
Building Middle	Expresses strong feelings through constructive forms of communication, seeking the assistance of familiar adults when needed
Building Later	Uses simple strategies to regulate own feelings or behaviors
Integrating Earlier	Uses socially appropriate strategies (e.g., negotiation, compromise, verbal reminders to self) to regulate own feelings or behaviors
Integrating Middle	Uses self control strategies to regulate feelings and behaviors in order to prevent self from acting impulsively
Integrating Later	Uses mental strategies (e.g., changing goals, reappraising the situation) to manage emotions, with some success

Language and Literacy Development (LLD)

Measure 9: Letter and Word Knowledge

Child shows increasing awareness of letters in the environment and their relationship to sound, including understanding that letters make up words

LLD 9: Letter and Word Knowledge

Building Earlier	Demonstrates awareness of a few letters in the environment
Building Middle	Identifies some letters by name
Building Later	Identifies ten or more letters (not necessarily at the same time); and Shows understanding that letters make up words
Integrating Earlier	Identifies most uppercase letters and most lowercase letters (not necessarily at the same time); and Shows understanding that letters correspond to sounds in words
Integrating Middle	Demonstrates knowledge of all of the letters of the alphabet (upper and lower case) and corresponding sounds for the majority of consonants and many vowels; and Identifies frequently-used words (e.g., the, of, is, to, you, she, my)
Integrating Later	Assembles or splits apart words to make new words; and Identifies both short vowel sounds and long vowel sounds for most vowels

ELD 1: Comprehension of English

Discovering English	Shows understanding of words and phrases in conversations, stories, and interactions in home language (may show little understanding of common words and phrases in English)
Exploring English	Attends to interactions and sometimes participates in activities conducted in English; and Shows understanding of a few common English words in familiar contexts or routines
Developing English	Shows understanding of some common words and phrases in English during interactions and activities conducted in English, occasionally with support of home language nonverbal cues, or both
Building English	Shows understanding of many words, phrases, and concepts in English during interactions and activities conducted in English, occasionally with support of home language, nonverbal cues, or both
Integrating English	Shows understanding of most information and concepts communicated in English for both instructional and social purposes

PD 2: Gross Locomotor Movement Skills

Building Earlier	Attempts to coordinate movements, in an upright position, that momentarily move whole body off the ground
Building Middle	Coordinates and controls individual locomotor movements, with some success
Building Later	Combines and coordinates two or more locomotor movements together in effective ways, with some success
Integrating Earlier	Combines a variety of locomotor movements and moves effectively across a range of activities
Integrating Middle	Combines a variety of locomotor movements with refined coordination (with control, flexibility, speed, rhythm)
Integrating Later	Applies a variety of locomotor skills with manipulative and stability skills to organized games and dance activities

HSS 1: Sense of Time

Building Earlier	Communicates about or acts out events that just happened; and Asks about activities that will happen soon
Building Middle	Communicates about past events and future events, but is sometimes unclear about how far in the past they happened or how far in the future they will happen
Building Later	Relates past events to one another or to the present; and Plans for the near future
Integrating Earlier	Distinguishes what happened a long time ago from what happened in the recent past or Distinguishes what will happen in the near future from what will happen much later
Integrating Middle	Anticipates events in the weekly schedule, or Describes the way things were in own past, or Predicts future events related to personal experience, or Describes age differences among people (such as family members)
Integrating Later	Distinguishes the sequence of events that occurred in the past few weeks or months or events that will occur in the next few weeks or months, but has difficulty sequencing events in the distant past or distant future

HSS 1: Sense of Time

Building Earlier	Communicates about or acts out events that just happened; and Asks about activities that will happen soon
Building Middle	Communicates about past events and future events, but is sometimes unclear about how far in the past they happened or how far in the future they will happen
Building Later	Relates past events to one another or to the present; and Plans for the near future
Integrating Earlier	Distinguishes what happened a long time ago from what happened in the recent past or Distinguishes what will happen in the near future from what will happen much later
Integrating Middle	Anticipates events in the weekly schedule, or Describes the way things were in own past, or Predicts future events related to personal experience, or Describes age differences among people (such as family members)
Integrating Later	Distinguishes the sequence of events that occurred in the past few weeks or months or events that will occur in the next few weeks or months, but has difficulty sequencing events in the distant past or distant future

HSS 2: Sense of Place

Building Earlier	Recognizes changes in familiar environments or in the people associated with them (e.g., a new adult in the classroom)
Building Middle	Recognizes the routes between familiar locations
Building Later	Communicates about the relative distances between familiar locations, including details about those locations
Integrating Earlier	Compares unfamiliar locations (e.g., other communities) with familiar ones, identifying the characteristics or people associated with them
Integrating Middle	Compares details about social and physical characteristics of home community with how people live elsewhere or demonstrates understanding of both obvious and less apparent aspects of familiar physical locations
Integrating Later	Uses simple maps and globes with adult assistance; and Draws maps to represent familiar environments

Building Earlier	Demonstrates simple understanding that people tend to the basic needs of plants and animals (e.g., watering and feeding)
Building Middle	Demonstrates simple understanding that people tend to environments of plants and animals in caring for them (e.g., keeping cages clean, putting plants in the sun)
Building Later	Demonstrates concern about caring for the natural world in ways that were previously experienced by the child (e.g., recycling, planting a garden)
Integrating Earlier	Demonstrates simple understanding of the effects that humans have on the environment beyond own direct experience (e.g., natural habitats for animals, climate change, clean air, clean water)
Integrating Middle	Seeks information about natural environments (e.g., the Arctic, tropical climates, rainforests) and natural phenomena (e.g., floods, tornadoes, earthquakes)
Integrating Later	Communicates about possible solutions and choices that people can make to reduce the impacts of human activity on the natural environment (e.g., littering, reducing pollution, erosion)

HSS 4: Conflict Negotiation

Building Earlier	Uses words or gestures to express desires in some conflict situations, but requires adult assistance to communicate constructively and resolve conflict
Building Middle	Uses appropriate words and actions to express desires in some conflict situations, often seeking adult assistance to resolve conflict
Building Later	Uses appropriate words and actions to express desires in response to conflict situations, and suggests simple cooperative solutions based mainly on own needs
Integrating Earlier	Considers the needs and interests of others when there is a conflict or Attempts to negotiate a compromise
Integrating Middle	Proposes, negotiates, and carries out solutions to conflicts without adult assistance
Integrating Later	Anticipates and avoids potential conflicts, especially when interacting with friends

Building Earlier	Follows simple group expectations with occasional adult reminders, but needs specific guidance when wanting to do something else or having to stop a preferred activity
Building Middle	Carries out group expectations during activities, needs adult reminders to follow expectations from beginning to end
Building Later	Follows through with group expectations during extended activities, on own most of the time
Integrating Earlier	Communicates about group expectations; and Cooperates with others in carrying group expectations
Integrating Middle	Participates in making new group expectations; and Demonstrates understanding of the difference between fair and unfair expectations, at times protesting when expectations seem unfair
Integrating Later	Demonstrates understanding that group expectations are to ensure people's welfare

Building Earlier	Experiments with tools and materials for painting or drawing (two-dimensional) or sculpting or assemblage1 (three- dimensional), sometimes representing a concrete thing
Building Middle	Creates two-dimensional and three-dimensional representations of things; and Experiments with detail or color
Building Later	Creates two-dimensional and three-dimensional representations to show action or how things relate to one another, using detail, shape, color, or organization
Integrating Earlier	Creates increasingly complex two-dimensional and three-dimensional representations that are expressive of mood, feeling, or interaction among things, using detail, shape, color, or organization
Integrating Middle	Creates increasingly complex representations (through drawing or painting and sculpting or assemblage), and explains moods, feelings, actions, or interactions among objects that are represented
Integrating Later	Manipulates tools in skillful ways when creating two- dimensional and three- dimensional works in a variety of media (paint, pencil, clay, tissue, etc.); and Identifies artistic elements (texture, shape, color, shadow, etc.) in nature and the surrounding environment

Building Earlier	Moves body or body parts through space in response to music, rhythms, others' movements, or adults' cues
Building Middle	Tries out a variety of movements through space, with some body control and awareness, in response to music, rhythms, others' movements, or adults' cues
Building Later	Produces dance-like movements with increasing body control and awareness, in response to music tempo, rhythms, others' movements, or adults' cues
Integrating Earlier	Improvises dances by changing tempos (e.g., fast/slow) and by varying qualities of movements (e.g., big/small, high/low, smooth/jerky) in response to music
Integrating Middle	Creates an improvised dance with a beginning and an end, dancing spontaneously in the middle; and Uses dance language when reflecting on a dance during an adult- led discussion
Integrating Later	Creates an improvised dance by coordinating varying qualities of movements throughout all phases (beginning, middle, end); and Initiates using dance language to describe dance movements

Building Middle	Tries out a variety of movements through space, with some body control and awareness, in response to music, rhythms, others' movements, or adults' cues
Building Later	Produces dance-like movements with increasing body control and awareness, in response to music tempo, rhythms, others' movements, or adults' cues
Integrating Earlier	Improvises dances by changing tempos (e.g., fast/slow) and by varying qualities of movements (e.g., big/small, high/low, smooth/jerky) in response to music
Integrating Middle	Creates an improvised dance with a beginning and an end, dancing spontaneously in the middle; and Uses dance language when reflecting on a dance during an adult- led discussion
Integrating Later	Creates an improvised dance by coordinating varying qualities of movements throughout all phases (beginning, middle, end); and Initiates using dance language to describe dance movements
