

## Desired Results Developmental Profile- Kindergarten (DRDP-K) Fee for Service Teacher Trainings

The **DRDP-K (2015)** is an assessment instrument designed for teachers to observe, document, and reflect on the learning, development, and progress of all children during the kindergarten year.

### **DRDP-K (2015) Teacher Training**

Developed by the California Department of Education for young children and their families, the DRDP formative assessment instrument informs instruction and program development. Explore these topics:

- Format of DRDP (2015)
- Use of documentation and evidence to rate measures
- Importance of inter-rater reliability

### **Meaningful Observation for the DRDP-K**

The DRDP (2015) is administered through observation in natural settings.

Learn about:

- The purpose of observation
- Observing and collecting evidence
- Organizing an observation system
- Reviewing and reflecting on documentation and rating the DRDP (2015)

*Previous attendance at a DRDP (2015) teacher training or a working knowledge of the DRDP is recommended.*

### **Sharpening Your DRDP-K Skills**

For teaching staff with experience using the DRDP that **have not** attended a DRDP or Meaningful Observation training, this training is designed to learn more about the English language development (ELD) measures, increase observation skills, and find time saving tips.

### **Planning with Data Teacher Training**

For teachers who **have** already participated in the DRDP or Meaningful Observation trainings, this one-day training focuses on how to:

- Use DRDP-K results to plan curriculum for individual children and groups of children
- Plan for small and large groups of children and individualize for specific children
- Utilize the foundations, standards, and curriculum in the planning process
